Murray Colbert's Speech at Dinner Tonight Cancelled

Mrs. L. C. Davis of Boonville Will Replace Him; Move Aimed At Avoiding Label of 'Politics'

COLUMBIA (AP)—A scheduled speech by Murray Colbert, chairman of the Missouri Agricultural Stabilization and Conservation committee, at a "Salute to Eisenhower" dinner in Maryville tonight has been canceled.

Mrs. L. C. Davis, a Boonville farm wife, has been chosen to replace Colbert as the keynote speaker, Mrs. E. D. Imes, chairman of the affair, said, Mrs. Davis

was an unsuccessful candidate in the 11th District Congressional race in 1954.

In Washington yesterday, H. Laurence Manwaring, deputy administrator of the Agriculture Department's Production Adjustment Administration said he had discussed the "wisdom" of making a "Farm Problem" speech with Colbert.

Manwaring explained the department wants to keep politics out of its operation. He declared there is no law or department regulation that prevents committees from participating in political rallies so long as such activities are not carried on while the committees are on duty.

ASC committeemen, who aid in administering federal farm programs, serve only part time and then only on a per diem pay basis.

Colbert confirmed the telephone conversation with Manwaring and the opinion that he not take part in the fund-raising GOP rally. In view of the department's attitude, he said, he called off his talk.

Colbert has been under strong attack from Missouri's two Democratic senators, Hennings and Symington, and Sen. Humphrey (D-Minn.) since a Senate Agriculture subcommittee investigated the state's ASC program last November.

In a Senate speech yesterday, Humphrey, who first objected to Colbert's right to make a political talk, protested his appointment as chairman of the ASC program in Missouri.

He charged there had been "outright political manipulation and open partisan politics" by Colbert. The Minnesota lawmaker was chairman of the ASC investigation in Missouri.

Humphrey said that office managers of county ASC committees in Missouri have been retained on the federal payroll despite the fact they have been fired by the elected county committees. His statement was part of a letter to Secretary of Agriculture Benson, which he put in the record.

Colbert, a farmer and life-long Republican, has served as chairman since early in 1953.

Swiss Police Lose All Trace Of Gold Thieves

GENEVA, Switzerland (AP)—Swiss police admitted today they have lost all trace of \$200,000 worth of gold bars stolen from a truck here yesterday in a well-planned daylight coup.

Police said it appeared possible the gang which organized the coup—one of the biggest robberies in Swiss criminal history—had succeeded in getting the bars into France.

The shipment arrived from Paris by air yesterday. The bars were loaded on the truck of a Geneva transport firm. The driver, M. Salamin, drove to the transport firm's headquarters near Geneva's main station to unload some of his other consignments, leaving the truck and the gold unguarded quite normal in Switzerland, where large-scale thefts are extremely rare.

The thieves were apparently fully aware of the driver's habits, because they drove the truck away without a witness noticing it leave.

The truck was found two hours later on the outskirts of Geneva, less than a mile from the French border.

Agriculture, Farm Marketing Committees Will Host Conference

The members of the agriculture and farm marketing committees of the Chamber of Commerce will be hosts at the noon meal for the Soils and Crops Conference which will be held at the Smith-Cotton High School on Saturday, Jan. 28. Serving will start at 11:30 a.m. at the cafeteria and assisting the members of the two committees in serving will be members of the Chamber board of directors.

Czech Plane Crashes

VIENNA, Austria (AP)—The official Czechoslovak news agency announced today that a Czech Airlines plane had crashed in Tatra Mountains near the Czech-Polish border, killing 22 persons and injuring four others.

The plane crashed Wednesday in the wild mountainous area.

RETURN—Admiral Arthur W. Radford, chairman of the Joint Chiefs of Staff, and Mrs. Radford sit in a limousine upon their return to Washington by air after their around-the-world trip. Admiral Radford told newsmen he does not believe there is "any strong possibility" of a major war. (NEA Telephoto).

Negro Leader Says Murders Unpunished

Letter to Hoover Claims FBI Cannot Solve Negro Cases

LOS ANGELES (AP)—American citizens are being wantonly murdered in Mississippi and their murderers are going unpunished, Negro leader Dr. T. R. M. Howard said yesterday in a letter to FBI Chief J. Edgar Hoover.

In reply to a letter from Hoover, Dr. Howard also said, "the fact remains that the FBI cannot seem to solve a crime where a Negro is murdered by a white man in Mississippi."

Hoover had accused Howard, president of the Mississippi Regional Council of Negro Leadership, of "false and irresponsible" charges against the FBI's handling of several racial killings in the Southern states.

Dr. Howard repeated in the letter statements which he said he made in a Baltimore speech. He also wrote that he has talked with "many thousands of persons" in the past month and:

"They are as dismayed as I am that murders can be committed in the United States and that murderers can escape indictment, as in the George Lee and Lemar Smith cases, or win acquittal as in the Emmett Till case, when, as in all of these cases, the facts about the cases are so well known to law enforcement authorities, federal as well as state."

Till, 14, a Chicago Negro visiting an uncle near Money, Miss., was kidnapped last Aug. 28. Two white men were acquitted of murdering him. Smith was shot and killed last Aug. 13 at Brookhaven, Miss. Lee, a leader of the National Assn. for the Advancement of Colored People, was found dead last May 7 in his wrecked automobile in Belzoni, Miss. NAACP leaders say he was shot while driving.

Dr. Howard wrote that Lee "who sought to vote, was murdered" and both state and federal governments have declined to take action.

Military Ship Hits Texas Radar Tower 100 Miles Off Shore

BOSTON (AP)—A ship crashed into the Texas tower 100 miles off Cape Cod, first off-shore radar "island," today and was extensively damaged.

The vessel was identified by the Coast Guard as the transport Sagitta of the Military Sea Transport Service, a 269-foot 5,202-ton vessel.

Her starboard side crashed into the tower, tearing a hole in tanks in her No. 2 hold. She was reported making water rapidly and listing to starboard.

Whether the Texas tower was damaged was not immediately reported.

The Coast Guard dispatched a seaplane from its Salem base to investigate and also ordered two cutters, the Evergreen and Spar to the scene. The Spar was about sixty miles away and expected to reach the scene in 3 to 3½ hours.

The Texas tower is located on a Georges Banks shoal—dangerous waters to shipping. The Sagitta was reported trying to claw off into deeper water.

Molten Lava Pushes Car Into River

SANTIAGO, Chile (AP)—Molten lava flowing from Llama volcano's two craters pushed a car into a river today. The driver was trapped inside and died. The volcano, 50 miles from Temuco in the southern province of Cautin, began erupting Wednesday.

Escaped Killer Sought

Police Give 5-State Alarm in Manhunt For Leslie Irvin, Sentenced to Die

EVANSVILLE, Ind. (AP)—An all-out police search spread over a five-state area today for Leslie Irvin, described as a "mad dog killer," who escaped from jail while under a death sentence for one of six killings in which he has been indicted.

State police received unverified reports Irvin had been seen in Ohio and in Missouri and authorities in those states joined Indiana, Illinois and Kentucky officers in the search.

The Missouri State Highway Patrol received a report from a waitress at a restaurant-motel near St. Louis last night that she had recognized a man as Irvin from a television picture she had seen of him.

Early today, a bus depot employee at Rolla, Mo., 110 miles southwest of St. Louis, told the patrol she had seen there a man closely fitting Irvin's description.

The most concentrated search was being conducted in the Evansville area and in nearby sections of Kentucky and Illinois.

Indiana state police said they had received an unverified report that a man of Irvin's description was seen driving a dark colored car near New Albany, across the river from Louisville, Ky. Also an unidentified motorist reported a man who resembled Irvin had attempted to force him off the road between New Castle and Muncie in east central Indiana.

State police said many such reports are received in widely publicized escapes and that all are being checked.

Illinois state police put out a state wide alert for Irvin last night after authorities at Watska, Ill., said they had reports he had been seen in a Watska tavern.

Meanwhile, law officers and witnesses in Irvin's murder trial were given police guards as they hunted the 31-year-old former Evansville pipefitter.

Irvin, convicted of killing an Evansville man and also charged with killing two Indiana women and three members of a Kentucky family, had been scheduled for transfer Monday to the Indiana State Prison at Michigan City to await execution in the electric chair June 12.

Irvin, held in jail at nearby Princeton during the appeal period which followed his conviction and sentencing in Gibson Circuit Court, was missing at breakfast time yesterday.

Four jail doors had been either unlocked or locks picked. Sheriff Earl Hollen said, "There had to be some outside help," adding one man could not have opened the doors himself from the inside. The heaviest snowfall of the winter quickly covered his tracks.

Only Irvin's cellmate Lawrence Bryant, 57, Palestine, Ill., awaiting trial for a triple killing, saw him escape.

Bryant insisted he knew nothing about the escape, but he later told Sheriff Hollen he saw Irvin dress and leave the cell between 10 and 11 p.m. Wednesday. Bryant said he saw no accomplices and did not know how Irvin managed to unlock the doors.

Prosecutor Paul B. Wever who directed the prosecution that brought the death penalty for Irvin, wore a .38-caliber pistol and said, "I'm taking no chances. Irvin's mind doesn't work like other people's."

Special guards were given two Evansville schoolboys who supplied an important clue in the investigation that led to Irvin's arrest last April 8.

Irvin was described as a stocky 200-pounder, 5 feet 11 inches tall, with dark brown wavy hair, brown eyes and ruddy complexion. When he left the jail he was wearing a dark blue suit and gray overcoat and was bareheaded.

Arthur Ross Brown Divorced by Wife

KANSAS CITY (AP)—The wife of Arthur Ross Brown, confessed kidnapper, was granted a divorce today in circuit court.

The 30-year-old ex-convict, who pleaded guilty in the slaying of Mrs. Wilma Allen last August, will appear next Monday before a Federal Court jury which will recommend a sentence.

In court today Mrs. Brown testified how she herself was abducted at pistol point and her life threatened by her husband during a 3-hour motor car ride. She escaped from him when he stopped the car at a traffic light.

Brown admitted the Allen kidnapping and slaying after his arrest Nov. 14 at San Francisco.

General's Opinion Changed—Defense Secretary Thought Ridgway Agreed on Budget

LOS ANGELES (AP)—Defense Secretary Wilson said today that he and Adm. Arthur W. Radford thought Gen. Matthew B. Ridgway agreed to cuts in Army manpower as shown in the 1954 State of the Union message, but evidently Ridgway's opinions changed later.

President Eisenhower had stated in that message that the Joint

Chiefs of Staff unanimously approved proposed reductions in Army strength in 1954-55. Ridgway then was Army chief of staff. He retired last June.

Writing in the Saturday Evening Post, Ridgway said he had "most emphatically not concurred" in the program to cut Army manpower. He also said he had been pressured to fit his views into what he called "a preconceived politico-military party line."

Wilson got into the controversy Tuesday when he told a Washington news conference he thought Ridgway's statement about opposing Army cuts was "correct" and that the former Army chief had "continually advocated a higher strength for the Army than the other chiefs."

But when the defense secretary arrived here last night he told newsmen that he and Radford thought Ridgway had concurred in the reduction.

Radford, chairman of the Joint Chiefs, backed up Wilson on this point yesterday when he said in Washington that "as far as I can recall" there was unanimity among the members of the top military group.

Cole Camp Man Dies in Truck Wreck Thursday

Wilbert Brauer, 45, Cole Camp, well known in Sedalia, where he was employed by the Parkhurst Manufacturing Co. up to 1953 and then was an automobile salesman of used cars for a time with the Mike O'Connor automobile agency, was killed Thursday about 13 miles southeast of Rolla in a pickup truck accident.

State patrol officers stated the pickup truck in which he was riding, driven by Benjamin Elliott, 43, Hartsville, Mo., skidded off Highway No. 72 and plowed into a tree.

Elliott, the driver, suffered a possible skull fracture. Patrol officers said the accident occurred when Elliott lost control of the truck while rounding a curve.

The body of Mr. Brauer was taken to the Eickhoff Funeral Home, Cole Camp, and Mr. Elliott to a Rolla hospital to receive treatment.

Surviving Mr. Brauer are his wife, Mrs. Dora Brauer, formerly employed at the Friendly Cafe, Cole Camp, and five children: Elroy, Ray Dean, Sharon and Margaret Brauer, and Mrs. Vernon Brown, all of Cole Camp; a sister, Mrs. Harvey Lutjtin, Cole Camp, and five brothers, Homer, Raymond, Norman and Leonard of that city, and Elmer Brauer, Brazilton, Kan.

Funeral services will be at 1:30 p.m. Sunday at the Eickhoff Funeral Home with a second service at St. Paul's Lutheran Church, the Rev. Elmer Kuhlman to officiate.

Palbearers will be Rudy Haase, Fred Schutte, Florence Koeller, Ralph Kreisel, Homer Brauer and Marvin Boesch.

Burial will be in Brauersville Cemetery.

Shakeup Puts New Man In Premier's Post

MOSCOW (AP)—A top-level shakeup in Lithuania has put M. Y. Shumauskas in the Premier's post succeeding M. A. Gedvilas.

The changes were disclosed in copies of the newspaper Soviet Lithuania received here yesterday from the Baltic Soviet republic. They contained accounts of decrees of the Lithuanian Supreme Soviet dated Jan. 16.

No explanation was given for the move. Moscow newspapers had not reported the changes.

Bombay Is Torn By Strife Fifth Successive Day

Left-wing Leaders of Rioters Appeal for End to the Violence But Death, Destruction Go On

BOMBAY, India (AP)—Looting and shooting continued unabated in riot-torn Bombay today for the fifth successive day. Left-wing leaders of the demonstrators appealed in vain for an end to the violence.

The rioters, mostly of the Maratha race, increasingly vented their ire on the Gujarati families. Many of the Gujaratis were trying to flee the city.

Bombay State Gov. Harekrishna Mahabadi told a meeting of leading citizens the wave of violence is "unparalleled in the history" of Bombay, India's second largest city.

The Marathas, about half of Bombay's nearly three million population, are fighting Prime Minister Nehru's plan to put the city under the federal government. The rest of the state would be split in two, forming one state where the Marathi language is predominant and the other where Gujarati is generally spoken.

Official figures, obviously lagging behind the actual casualties, put the death toll at more than 40 since the riots erupted Monday.

Property damage from wrecking, looting and burning was widespread.

Authorities were besieged in dozens of towns by demonstrators who demanded the officials resign. At Poona all 50 city councilmen quit after a stone-throwing mob stormed the municipal corporation building.

Other violence centers included Ghatkopar, Kolhapur, Nipani and Ghodapdeo.

Possible Snow Is Forecast For Missouri

KANSAS CITY (AP)—More snow appears headed for Missouri, but just how much depends on the possible formation of a storm center in the Southwest.

The Weather Bureau in a special bulletin this morning said conditions looked favorable for formation of such a storm center in the Oklahoma Panhandle. Such a development the Bureau said, would result in widespread precipitation over the Central Plains states during the weekend with rain or snow in Missouri, Kansas and Oklahoma.

The warning advised motorists traveling in the area to be on the alert for further forecasts.

Scattered light snow is forecast for the north this afternoon and tonight with light snow in the north-west and west central sections and rain or snow in the extreme south-west.

The extended forecast indicates temperatures of 6 to 12 degrees below normal with snow or rain likely Sunday and again about Wednesday.

Low temperatures tonight are slated to be about 5 in the north and near 15 south. Farmington and Kirksville, with zero readings, had the state's lows this morning."

At Jefferson City, the State Highway Department reported only scattered spots of snow and ice remain on highways in the area covered by Thursday's snow.

\$280,000 Shipment Of Gold Bars Stolen From Truck in Geneva

GENEVA, Switzerland (AP)—Police searched through Switzerland and France today for the daring thieves who made off with a truck carrying \$280,000 worth of gold bars. The truck was found empty in a lane outside Geneva, a mile from the French border.

The bullion, owned by a private Swiss firm, was stolen last night after it had arrived by plane from Paris.

Authorities said the 551-pound shipment was loaded on a truck at the Geneva airport and the driver went to his company's headquarters. He left the truck for a few minutes and when he returned it had disappeared.

No guards had been provided for the consignment since it was regarded as a routine shipment in this international gold center.

Police refused to identify the driver of the truck or the firm to which the gold had been consigned.

93 Year Old Man To Take a Day Off

SALT LAKE CITY (AP)—William Dobbie Kuhre will be 93 tomorrow. He plans to take the day off from his job to celebrate. Kuhre has been bookkeeper for a local lumber company for the past 55 years.

In this city one of the most severe threats came at midnight last night, when the main police armory at Nigam was attacked by a mob seeking arms and ammunition. Police gunfire turned it back.

A government announcement said nine persons were killed in Bombay city in yesterday's fighting. It said 65 persons were injured, including 30 policemen, and 35 more rioters were arrested.

Police fired into a mob of 30,000 at Kolhapur, 250 miles south of Bombay. There was no report on casualties.

Six Policemen Get Exercise Rough Way

Stubborn Customer Resists Arrest Wednesday Night

Jacob Neidig, 34, 1614 South Ohio, who tried to "rough up" six police officers at Fourth and Ohio about midnight Thursday, was charged with driving a car while under the influence of intoxicating beverage, assaulting police officers, destruction of city property and resisting arrest.

Officers Ernest Carver and Jack Coutts, stopped Neidig at Fourth and Ohio to check him because of his driving. They had followed him from Second and Kentucky. Neidig got out of his car, the officers put him in the police car and started to drive off to police headquarters.

Neidig had a change of mind and jumped out and started for his car. Officer Coutts jumped out and stopped him and got him back into the police car and as they started to drive off Neidig again got out of the patrol vehicle. Coutts followed him and tried to stop Neidig, and that was when he resisted efforts to take him back to the police car.

Neidig started wrestling Coutts and they went from near Ohio to the alley and in the middle of the street between Ohio and Osage. Coutts was holding on to Neidig and tried to stop him as he was bending over. As Officer Carver came around the car to assist Coutts, he was struck.

"As Carver came up," Coutts said, "Neidig started a hefty swing which started from the ground and as Carver came in he caught the full blow on his left jaw. Carver was knocked to the pavement."

Carver finally got up and went to the radio and called for assistance. Officers Jay Nicholson, Murl Steele, Jewel Riley and Edward Laird arrived on the scene within a few minutes.

Efforts to restrain him were almost fruitless with Neidig swinging and kicking. He was finally subdued and put in a police car. At police headquarters he threw another tantrum and this time struck Riley in the face and swung around catching Carver on the chin and sent him sprawling to the floor, then as Carver came back grabbed his uniform coat blouse and ripped the lapel and he finally was subdued again and handcuffed.

He suffered several cuts on his head and after several doctors refused to go to police headquarters to treat him he was taken to Bothwell Hospital where Dr. A. R. Maddox rendered medical treatment. He was later returned to jail.

Later Carver was taken to Dr. Joseph W. Maunders who gave emergency treatment. Dr. Maunders said Carver had suffered a slight concussion.

Neidig is being held in the city jail pending the setting of his trial before Judge R. L. Weinrich. Setting of the trial awaits improvement of Officer Carver.

His bond was set at \$500 cash or \$1,000 signed which he was unable to furnish Friday morning.

Tombstones Are Used For Party Decoration

DENVER (AP)—Myster of the missing tombstones was solved yesterday. They were needed for a party. Explaining their theft of two tombstones from a local firm, four Denver University students told police the 100-pound items were needed as appropriate decorations for Kappa Sigma fraternity's annual Morticians Ball. The students were lectured and released.

Midwestern Cattle Men Call Meeting

Emergency Meeting Of Livestock Men Is at Shenandoah

SHENANDOAH, Iowa (AP)—Midwest livestock producers have been asked to attend an emergency meeting on live animal prices called here for Jan. 23 by the Midwest Livestock Feeders Assn.

The association's executive board announced plans for the meeting after conferring yesterday with officials of the National Farmers Organization, which will have an observer present.

O. C. Swackhammer, of Tarkio, Mo., president of the association, said the gathering will be an "emergency meeting on an emergency situation."

The executive board sent a telegram to James C. Hagerty, press secretary to President Eisenhower. It suggested he urge the President "to have a representative here for a correct appraisal of the financial distress farmers are in at present."

A spokesman said Governor Leo Hoegh of Iowa had advised he will be available as a keynote speaker.

The group also sent telegrams to Sens. B. B. Hickenlooper of Iowa and Clifford Hope of Kansas, both Republicans.

The message to Hickenlooper said:

"We must have immediate action on resolutions which will be forwarded to you following the meeting. The farm bureau isn't speaking for the farmers in distress today, therefore farmers will speak for themselves once again. We want some relief from the present livestock price situation."

The group told Hope it endorsed his proposal for an investigation of pork prices offered by packers for the government pork buying program.

Telephone Company Announces Options On Local Property

N. B. Pitcairn, local manager for the Southwestern Bell Telephone Co., announced today the procurement of three options on property on Fifth and Massachusetts in Sedalia.

This is the first step in the telephone expansion program for the city which will ultimately lead to the installation of the latest type dial equipment, Pitcairn said. A great deal of engineering and construction is ahead for the new building. Many factors, such as the availability of equipment and manpower, make it impossible to forecast accurately a time schedule for the project, he said.

"Sedalia has gained well over 870 stations in the last two years," Pitcairn said, "and we intend to keep pace with the future growth of the community."

A Word to the Wise

The slick roads caused by the snow taught several Sedalians they can still learn a few tricks about safe driving. And the weatherman says more snow can be expected. A word to the wise is sufficient.

Partly cloudy tonight; mostly cloudy Saturday; high Saturday in lower 30s; low tonight between 15 and 20.

The temperature at 7 a. m. was 14; 34 at 1 p. m. and 35 at 2 p. m. Low Thursday night 10.

The temperature one year ago, high 33, low 25; two years ago, high 59, low 13, with 41 inch of snow; three years ago, high 35, low 31.

Kiwanians Hear Talk On Dry Cleaning

Development of dry cleaning and the chemical processes that have made it a 1.7 billion dollar United States industry during the past 100 years, was the subject of a talk by Dr. J. C. Alexander, director of research, Adco, Inc., before fellow Kiwanians at their meeting in Bothwell Hotel Thursday noon.

The speaker, who was introduced by the Rev. Edward R. Sims, program chairman, traced the history of fabric manufacture by hand ages ago to the present machine age in the garment industry. Clothing sold today represents an annual expenditure of 16 billion dollars. To keep this clothing clean the public spends 1.7 billions annually.

Dr. Alexander also mentioned that 10 per cent of all clothes cleaned in the United States are by use of chemical products manufactured in Sedalia's Adco, Inc. plant. These products are sold by over 50 salesmen in every state of the union and abroad.

In observance of 41st Anniversary Week, President Jack Shoemaker read a message, "A Challenge to Service," from the International President.

Singing was led by Abe Rosenthal with Miss Lillian Fox accompanying.

John Snodgrass, chairman of the vocational guidance committee, introduced Charles Neal, Smith-Cotton senior, who is in vocational training.

Dr. Alexander had as guests: Al Fabry and Kenneth Leslie.

G. W. Hamby Speaks To Rotary Monday

The Rotary program Monday noon at Bothwell Hotel will be provided by G. W. Hamby, vocational instructor from Green Ridge and several of his boys. They will describe the vocational agriculture department there, which at present is the only one in Pettis County. The bond issue to be voted on Feb. 7 includes funds to construct quarters for a vocational agriculture department in Sedalia schools.

The program was arranged by the rural-urban committee, Aubrey Case, program chairman.

Meeting Time Changed For Chamber Meeting

The Chamber of Commerce board meeting which will be held Tuesday at the Chamber of Commerce office will be at 3 p.m. instead of 3:30. The earlier time is to give Dick Ransom, field director of the National Highway 50 Federation, an opportunity to present a brief explanation of the promotion program of Highway 50 for 1956-57.

Dalton Says Revenue From Cigarette Tax Should Be Deposited

JEFFERSON CITY — Atty. Gen. John M. Dalton told the State Revenue Department today the proceeds from Missouri's new cigarette tax should be deposited in the state treasury regardless of a pending suit to test the legality of the tax.

Circuit Judge Sam C. Blair ruled last month the new two-cent cigarette tax was properly passed by the 1955 Legislature and approved by the voters at a special election last Oct. 4. Brown and Sons Tobacco Co. of St. Louis has appealed the decision to the State Supreme Court.

Revenue Director M. E. Morris asked Dalton whether cigarette tax collections should be impounded in a special fund until the appeal is decided. Dalton said there is no legal provision for such action and the money should be deposited in the state treasury like any other tax.

The new levy is expected to produce about \$9 million a year, all to be used as state aid for schools.

Fuel Truck Drivers Settle 5-Day Strike

NEW YORK — Settlement of the five-day strike of fuel supply drivers in New York City was announced today by Mayor Robert F. Wagner.

He made his announcement in the presence of representatives of fuel dealers and Local 553, International Brotherhood of Teamsters and said both sides would recommend acceptance.

Chamber Agriculture Meeting Wednesday

The agriculture committee of the Chamber of Commerce will meet at 7:30 p.m. Wednesday at the Chamber office.

Quarted apples, cooked in a sugar syrup to which small cinnamon candies have been added, taste delicious with roast pork.

Says Deadlock Over School Bill Broken

WASHINGTON — The House Rules Committee's deadlock over the school construction bill was reported broken today, and the big debate on federal aid to schools is expected to hit the House floor next week.

"And it will be a hot one," said Rep. McConnell of Pennsylvania, senior Republican on the House Education Committee.

McConnell said "there's no question" about the bill coming out of the Rules Committee next Tuesday or Wednesday, though he said floor debate may not begin until the following week.

Other sources said the bill was coming out and debate would start Wednesday.

Pending formal action by the Rules Committee next week, there was no indication how much time would be allowed for debate or what attempts, if any, might be made to restrict amendments.

Debate is expected to center largely on an expected proposal to bar federal funds to areas which segregate white and Negro pupils. There had been some speculation that the Rules Committee, which includes several veteran Southern House members, might block House action.

But Speaker of the House Rayburn (D-Tex.) has been pushing for action.

The House Education Committee has approved the Democrats' plan to grant \$1,600,000,000 over a four-year period to states to help them build needed classrooms. Allocations would be based on school age population.

President Eisenhower, in a special message to Congress last week, recommended granting the states 14 billions over five years and basing allocations on need and ability.

Liberia Agrees With Russia On Relations

MOSCOW — Liberia and the Soviet Union have agreed to establish diplomatic relations. Foreign Ministry press chief L.F. Ilychev said yesterday the agreement was signed in Liberia and ambassadors would be exchanged as soon as Liberia makes the necessary budget appropriations.

A Soviet delegation went to Liberia several weeks ago to attend the third inauguration of President William V. S. Tubman and was reported to have opened talks on the exchange of envoys.

Ilychev said the agreement includes pledges of nonaggression, equality, noninterference in internal affairs and annual respect for sovereignty.

Earlier reports of the Soviets' visit to Liberia said Russia offered economic and technical aid to the West African Negro republic. These accounts said Liberia which was organized a century ago with American help, probably would approach the Soviet offer with caution, despite a need for foreign aid. Liberia is strongly opposed to communism and permits no Communist organizations within her borders.

Prisoners Get Raise

SAN ANTONIO, Tex. — Inflation may enable prisoners in the city jail to get a boost in "salary." Police Chief George Bichsel yesterday endorsed a recommendation that the \$3 a day credit allowed prisoners serving out fines be increased to \$5 a day. The \$3 allowance has been in effect 50 years.

Bichsel remarked, "Everything else has gone up, why shouldn't this?"

Blonde Gun Moll Robs Liquor Store of \$100

DETROIT — A blonde gun moll calmly robbed a liquor store and then forced two men to take her for an hour's automobile ride about town last night.

Dressed in a Navy peacoat and blue skirt, the blonde stuck up Andy's Liquor Store, looting the cash register of \$100 and pinching a pint of booze.

Customers Paul Crowe, 22, and Thomas White, 18, ran after her. When they caught up, they were looking into the barrel of her pistol. She forced them into White's car and then directed their hour-long cruise.

Finally she peeled off 13 one-dollar bills and handed them and the pint over, directing the men to "take them back to the liquor store." Then she fled.

Unknown Americans Shipped to Honolulu

YOKOSUKA, Japan — Under leaden skies, the light cruiser Manchester sailed for Hawaii today with the first of 50 of 852 unknown American servicemen killed in the Korean War. The bodies will be buried in Punchbowl Cemetery overlooking Honolulu. The rest of the unknown dead will follow in other ships within the next few weeks.

10-Year-Old Recovers From Leukemia Attack

WICHITA, Kan. — Four months ago a birthday party was held for 10-year-old Doyel E. Scribner, a leukemia victim, because he wasn't expected to live until his real birthday Feb. 2. Yesterday he was released from the hospital and expects to return to school Monday. Doctors say only time will tell whether recovery is permanent. An attending physician said, "I believe prayer and faith had a great deal to do with it."

"CAVE MAN" — Christos Goutas stands before his home, a cave in the hills of Macedonia, Greece. The modern-day "cave man," 60, wears nothing but a loincloth, even in the coldest weather. He's lived in the cave since 1941, when, as a member of an Allied underground unit, he was wounded and hid there from the enemy. A vegetarian, Goutas lives on herbs and vegetables found in the hills.

Magistrate Court

A preliminary hearing in the case of Roscoe Rash, charged with first degree robbery with an armed weapon, was held in the Magistrate Court of Frank T. Armstrong this morning. Rash was represented by Darrell Jenkins, attorney from Marshall.

The defendant was bound over to the April term of Circuit Court. He was placed under \$10,000 appearance bond and, on failing to make bond, was remanded to the Pettis County jail.

Rash was arrested for the robbery of Jerry Brown's service station on Dec. 11.

Auto Industry Troubles Laid To Sales Race

WASHINGTON — Sen. Monroney (D-Okla.) said today the "white-hot race" for auto sales supremacy between Chevrolet and Ford caused "many of the troubles now plaguing the auto industry and its dealers."

The senator made this comment in an interview as the Commerce subcommittee on automobile marketing heads scheduled its second hearing on charges of abuses in car selling practices.

Monroney said that in talking to car dealers privately in preparation for his hearings, he had found many who blamed the Chevrolet-Ford contest for abuses.

After Chevrolet had held the lead in industry sales for about two decades, it was challenged heavily by Ford in 1954. The outcome was so close both sides claimed victory, using different sets of figures.

Chevrolet was victorious last year on the basis of unofficial sales figures, although Ford was a close second.

The Oklahoma senator said it appeared to him that the race contributed to car "bootlegging," or discount sales by regular dealers to nonfranchised dealers.

Monroney cited the case of an Oklahoma dealer who, he said, received a letter from his zone manager berating him because a competitor finished ahead of him in sales for one month.

"I have seen that letter, and it's the kind that shouldn't have been written to a dog, much less to a responsible, successful business man," the senator said.

"The dealer told me his competitor had built up his sales by bootlegging. But he went on to say, 'Next month, I'm going to be the biggest bootlegger in the state of Oklahoma, because I'm never going to get another letter like that.'"

President Starts 4th Year of Term Facing Big Decision

WASHINGTON — President Eisenhower starts his fourth year in office today still facing the big decision on whether to seek re-election.

He addresses "Salute to Eisenhower" dinners tonight in his first appearance before a Republican party group since September. His remarks, to be piped by closed circuit television to an estimated 60,000 persons at fund-raising dinners in 35 cities, are not expected to shed any definite light on whether he will run again.

At least one national radio network, ABC, will broadcast the event "live" to the public.

The broadcast is scheduled about 10:20 p.m. EST.

The Republican National Committee forecast a turnout of 2,000 here to hear talks by Eisenhower, Cabinet members and others.

Sen. Goldwater of Arizona, who heads the GOP Senatorial Campaign Committee, said he thinks national Republican organizations will net about 2 1/2 million dollars from the \$100-a-plate dinners. State and local organizations would get the same amount.

Let's Build For A Better MISSOURI

VOTE FOR AMENDMENT NO. 1

(THE BUILDING BOND ISSUE)

TUESDAY JANUARY 24th

Missouri faces a grave crisis in the need for buildings at our State Institutions. Our State Colleges and Universities are crowded far beyond capacities of the present buildings, and faced with rapidly increasing enrollments demanding classrooms and laboratories which should have been built a generation ago. In the State Hospitals, Training Schools, and other eleemosynary institutions there are long waiting lists for admission of patients for whom there is no space for treatment and cure. More than 900 children are awaiting admission to schools for mental defectives and epileptics. One State Hospital Administration building is more than 100 years old. The riot-torn and burned out State Penitentiary constitutes a smoldering powder keg which breeds further trouble conditions. State training schools and reformatories also need major building rehabilitation. And, with the exception of the penitentiary, these are not recent developments. Recognizing the emergency the Governor and Legislature have provided a referendum vote on a Constitutional Amendment permitting the State to issue \$75,000,000 in revenue bonds to be paid from the proceeds of the State income tax for financing a building program at all of the State's institutions. The issue is now in your hands... Vote FOR the constitutional amendment on January 24th. Lift Missouri's head above shame.

(Paid for by the Committee for the State Bond Issue)

Trinity Votes To Construct New Church

The congregation of Trinity Lutheran Church has voted unanimously to sell the present property at Tenth and Osage and build a new church. It rejected current offers for the present property but negotiations will proceed.

An option on a lot at the south-west corner of Broadway and Missouri has been obtained from Dr. C. Gordon Stauffacher as the possible new site. It was recommended by the American Mission Board, which would assist Trinity Lutheran Church in the building project.

The vote was taken at the annual meeting this week when the Rev. David M. Funk pastor, reported that the congregation faces an overcrowded condition because of greatly increased membership.

At the same meeting, Clinton J. Muller, Robert Findland and Louis Wilkens were elected to the church council, succeeding Donald R. Anderson, Allen Telford and William Burlingame.

Robert Hartley was elected Sunday School superintendent, and Robert Findland as assistant superintendent. All teachers were reappointed.

Findland and Muller were elected delegates to the session of the Central States Synod at Lawrence, Kan., May 15-17.

The new budget was adopted and reports received from all departments of the church.

In Holy Communion

Holy Communion will be conducted Sunday at the Georgetown Methodist Church at 9:30 a.m. and at the Bethel Methodist Church at 11 a.m. by the Rev. E. W. Bartley pastor.

Dr. John C. Bennett, dean of the faculty and assistant professor of Christian theology and ethics at Union Theological Seminary in New York City.

ANNUAL CONFERENCE—The Annual Conference of the Missouri Council of Churches will be held at the First Christian Church in Columbia Tuesday and Wednesday. Key speakers will be Dr. John C. Bennett, left, dean of the faculty and assistant professor of Christian theology and ethics at Union Theological Seminary in New York City and Dr. Shelton Hale Bishop, center, rector of St. Philip's Protestant Episcopal Church in New York City, the largest Episcopal Church in America. The theme of the conference "Too Big to Do Alone" stresses the primary purpose of the Christian Gospel as the salvation of mankind. Dr. Allen Hackett, chairman of the program committee, says "The high marks of our conference will be the inspirational addresses of Dr. Bennett and Dr. Bishop and the small group seminars with some 50 of Missouri's outstanding religious leaders." Dr. Berlyn V. Farris, right, executive director of the joint department of evangelism of the National Council of Churches of Christ in the U.S.A. will coordinate the work of the seminars.

Sunday School Lesson Notes:

By WILLIAM E. GILROY, D.D.

The Bible has been called "God's Book for Man's Life," and that is just what it is. Its first and great value is not for its incomparable place in literature, but for its immense interest as a human document, a revelation concerning man.

First of all, the Bible is a book concerning God, revealing to man the gospel of the grace of God and the true way of life.

But the Bible is as well, a book of, and for, man. Even if the Bible brings to man the new life that is its great purpose, he misses a vast part of what the Bible has

to give, if he does not know his Bible in all its varied and realistic story of human life.

The Dial Press, of New York, has recently published a book by Louis Paul which exploits the human story of the Bible in a way that, so far as I know, has never quite been done before. I have been interested in "Heroes, Kings, and Men" because as a novelist the author approaches the Bible in much the same way as I have done as a journalist.

My Christian ministry through the years has been as much as a newspaper man as in pulp and church. I have been chiefly con-

Dr. Robert Bowers, a native of Oklahoma and a graduate of Phillips University and the University of Oklahoma Medical School.

cerned with the spiritual and moral values of the Bible, but I have sought to relate these to daily life and problems. When I have written of Bible incidents and Bible characters, I have endeavored to make them presently vivid and vital for life today as well as incidents and characters in the far past.

The fact is that much in the Bible is downright sensational, and this is a reflection suggested by Mr. Paul's book, which in itself is not sensational but skillfully drawn from the Bible itself.

Another book, also drawn from the Bible, but with a different purpose is the Olive Pell Bible, published by the Crown Publishers, of New York. It is Mrs. Pell's Bible only in the sense that out of years of thought and Bible reading she has compiled condensations from the King James Version, preserving the exact language, and a valuable feature, indicating the chapter and verse numbers for easy reference to the complete text.

Nothing, in my judgment, can take the place of the whole Bible, but for proper limited use in daily reading, such condensations and condensations are convenient and valuable. Some parts of the Bible, such as long genealogies, are obviously not of interest for ordinary reading.

It is the contrast between such details and the Bible's most interesting passages and great essential truth that makes well-selected Bible readings of practical use and help. My memory of such readings goes back to excellent selections prepared many years ago by the Hon. G. W. Ross for use in the public schools of Ontario. Ross' political foes made a furious outcry against the "Ross Bible," but it was a pioneer in a project now commonly accepted. I have an autographed copy of the "Daily Bible," prepared by the late Charles M. Shelton, author of IN HIS STEPS, and another on my shelves is the "Little Bible" of the Oxford University Press.

Mrs. Pell's book is simpler, convenient, and of about pocket size.

Dr. Hobbs to Continue Sermon Series Sunday

Dr. Elmer L. Hobbs, pastor of the First Methodist Church, will continue his series of sermons on "Our Faith in God" with the sermon "What Is God Like?" The Chancel Choir will sing "Beside Still Waters" by Hamblen with Raymond Marks taking the solo part. The Chancel Choir will sing "O Perfect Love" by Gurney.

The Methodist Youth Fellowship will meet for recreation at 5:30 and devotions at 6:30.

Youth for Christ Rally Saturday Night

A Youth for Christ Rally will be held Saturday night, Jan. 21, at 7:45 p.m. at the assembly room of the court house. Rev. Leon Parsons, LaMonte Baptist Church, will be the guest speaker. Special music will be provided by the LaMonte Baptist Church. Special songs will be presented by Ray and Darlene from Stover. Everybody is invited.

Still Punching
CHATTANOOGA, Tenn. (AP)—Frank Kohler recently reported a tussle with robbers—for the fourth time in his 80 years of life.

He said he was set upon by two young men and was thrown to the ground. They got only 12 cents but Kohler lost his glasses and a ring of keys in the scuffle.

But, he added, "I got in a few good punches."

Christian Science Reading Room Has 'Open House' Sunday

"Open house" will be held at the Christian Science Reading Room, 114 West Third, on Sunday from 2 to 5 p.m. Maintained by the First Church of Christ, Scientist, it was moved to the new location last October and has been open to the public since. During that time it has been remodeled.

Ladies Quartet Will Present Singing At Calvary Baptist Sunday

The Freshman Ladies Quartet of Southwest Baptist College, Bolivar, will be the guests of the Calvary Baptist Church next Sunday at both regular services. They will also sing at the North Grand Avenue Mission during the Training Union hour, 7 p.m.

The quartet is composed of Miss Wilma Dee Bright, first soprano, Miss June Brandt, second soprano, Miss Linda Bradley, first alto, Miss Wanda Sadler, second alto. Miss Bradley is the daughter of Mr. and Mrs. B. B. Bradley, and graduated from Smith-Cotton High School last year.

Miss Katherine Hines, music director of the college will accompany the quartet and will play solo numbers and lead the singing for the evening services.

The group will have complete charge of the music at the evening services, giving quartets, duets and solos. A large youth chorus is anticipated.

The pastor, the Rev. H. L. Alley, will speak at both services. At the morning service he will speak on "Go On" and in the evening his subject will be "If."

St. Paul's Lutheran Will Celebrate Lord's Supper On Sunday

The Lord's Supper will be celebrated at St. Paul's Lutheran Church next Sunday at both morning services. The sermon topic will be: "Always Ready for Jesus."

An illustrated mission lecture will be presented Sunday evening at 7:30. Color pictures of the people, the countries and the islands of the Pacific will be shown. The purpose of this world mission tour is to show the importance of the church's world-wide mission program.

It is the contrast between such details and the Bible's most interesting passages and great essential truth that makes well-selected Bible readings of practical use and help. My memory of such readings goes back to excellent selections prepared many years ago by the Hon. G. W. Ross for use in the public schools of Ontario. 5th Street Methodists To Have Talk On 'Missions In India'

The final discussion in a series entitled "Missions in India" will be held at the Fifth Street Methodist Church Sunday evening at 7:30, with Mrs. Virginia Woodard and Miss Margaret Johnson reviewing the chapters in the study book by Dr. James K. Matthews.

The service will be preceded by a family fellowship dinner at 6:45 p.m. and the youth meetings at 6 p.m.

The sermon to be delivered Sunday morning by the Rev. Lee F. Soxman, pastor, will be Jesus "As the Masses Saw Him." The choir's anthem will be "I Walked Today Where Jesus Walked" by O'Hara.

Rev. Alley Returns From Baptist Meet

The Rev. H. L. Alley, pastor of the Calvary Baptist Church, and Mrs. Alley, returned Wednesday from Springfield where they attended the Missouri Baptist Evangelistic Conference which was held in the First Baptist Church of that place. More than 1,000 delegates attended.

Topic By Rev. Reifel At Federated Church

For his sermon topic Sunday, the Rev. Leonard Reifel, pastor of the Federated Presbyterian Church, has chosen "Bartimeus on a Roadside Begging," Carl Freeman, soloist, will sing "My Task."

Missionary To Preach At First Christian

A highlight of the current church attendance movement at the First Christian Church will be the appearance as guest minister Sunday morning of Dr. Robert Bowers, missionary to Africa, who has just returned for a furlough after a two-year term of service deep in the Belgian Congo as head of medical service at the Wema Congo, station.

Dr. Bowers is a native of Oklahoma and a graduate of Phillips University and the University of Oklahoma Medical School, followed by graduate work at Yale University's Institute of Far Eastern languages. The title of his Sunday message is "Nainelaka Mboka," which is Congolese for "Congo Wisdom."

Dr. and Mrs. Bowers are weekend guests at the parsonage of the Rev. and Mrs. David Bryan. During Rev. Bryan's visit to Africa he was a guest in the home of Dr. and Mrs. Bowers, and credits their hospitality and knowledge of native customs, and dialects for his opportunity to observe and photograph much of the African native life as well as the missionary medical and evangelistic undertakings.

Dr. Bowers will also address the Men's Fellowship dinner meeting at the Christian Church to-night at 6:45 p.m. His message will center on native life in the Belgian Congo and will be augmented by several items of native equipment and souvenirs which he will demonstrate and discuss for the group.

Rev. Neal Will Preach On Evangelism Sunday

"Evangelism Means You" will be the message brought Sunday morning at the Broadway Presbyterian Church by the Rev. D. Warren Neal, pastor.

The Junior Hi and Senior Hi Westminister Fellowship groups will meet at 7 p.m. Sunday.

Boy Scout Troop No. 65 will meet in the church gymnasium at 7:30 Monday night. The Explorer Unit will meet on Monday at 7:30 in the church basement.

The board of trustees will hold its regular monthly meeting on Wednesday at 7:30 p.m.

Boy Scout Troop 65 will hold a chili supper in the church dining room on Thursday at 6:30.

The Broadway Laymen will meet on Friday evening. A dinner will be served by the Mariners Club at 6:30 p.m. W. R. Cameron, Kansas City, president of the Missouri Synod Chapter of the National Council, will be the speaker. The new officers will be elected at this meeting.

Some searching would have been in order. Leary says his parents are natives of Finland. The family name was changed from Learies.

Win Over Boonville, 68-54—

Tigers Advance In Fulton Tourney

Smith-Cotton High School scooted into the semi-finals stage of the Fulton High Invitational basketball tournament Thursday evening by eliminating Boonville on a 68-54 victory.

Playing the opening contest of the night Sedalia's Tigers faltered in the first half of play but came alive in the second half to erase all hope the Boonville 'squad might have built up in early stages of the contest. Smith-Cotton trailed 18-19 in the first quarter, then fell further to the rear in the second period, 12-18, for a 30-37 halftime deficit. The Tigers appeared with new spirit in the third quarter and reversed the scoring pattern in their favor, 14-8, in that frame and, with the Boonville squad still stunned, struck again in the final stanza 24-9 for the quarterfinals triumph.

Charles "Van" Van Dyne again served as the main spring of the Smith-Cotton offense by scoring 14 field goals and four free shots for a total of 32 points. Barbour tossed in 14 points for the Tigers. Boonville's efforts were led by Soph with 18 followed by teammate Repp with 11.

Patty Berg Holds One-Stroke Lead In Golf Tournament

TAMPA, Fla., (P) — Veteran Patty Berg held a one-stroke lead over young Mickey Wright with the second round coming up today in the \$5,000 Tampa Women's Open golf tournament.

Popular Patty, Women Athlete of the Year for 1955, clipped two strokes off par with a 71 and could have done better than that except for some erratic putting.

Putting also hurt Miss Wright, from San Diego, Calif. She lost a chance to tie for the lead by three-putting No. 18.

High winds bothered most of the field of 121. Louise Suggs of Sea Island, Ga., co-favored with Miss Berg, took 80 for the tricky 6,307-yard Palma Ciega course and was well down the list.

The only other players to match par 75 were Betsy Rawls of Spartanburg, S. C., and Fay Crocker from Montevideo, Uruguay.

Mike Souchak Leads The Caliente Open Golf Tournament

TIJUANA, Mex., (P) — Husky Mike Souchak, an engaging and strapping young man of 28 led a band of hard shelled golfers into the second round of the \$12,500 Caliente Open.

The 212-pound onetime end for Duke University had a seven-under-par 65 behind him and a two-stroke lead over the field to rely on as he teed off over the par 36-72 Tijuana Country Club course.

Nearest to Souchak were Frank Stranahan, Toledo, Ralph Blomquist of Glendale, Calif., and an amateur comer from Spokane, Wash., Rod Funseth—all tied at 67.

The trio, plus Souchak, were among the 36 players who broke par the first day.

Others included Tony Holguin Tommy Bolt, Bo Winingger and Fred Haas (69) and Gene Littler and Jim Turnesa (70).

And at one under par 71 were Doug Ford, Fred Wampler and Marty Furgol.

Dave Burnham Refuses Offer From Redskins

WHEATON, Ill., (P) — Dave Burnham, an ordained Baptist minister and a back on the Little All-America football team last season, has turned down an offer to play for the Washington Redskins.

Burnham, 6-2, 180 pounder who gained 3,498 yards in 30 games he played in his collegiate career at Wheaton College, said he would like to give pro football a try but "I am called to the ministry of the gospel."

He plans to become associate pastor of a church in his hometown of Akron, Ohio, when he graduates in June.

Michigan State is the only Big Ten institution to win Rose Bowl bids twice within a three year period.

Florida State University basketball coach Bud Kennedy has 8 returning lettermen for his 1955-56 team.

Sonny Hertzberg Is Nation's Only Scout for Pro Cagers

NEW YORK (P)—Sidney (Sonny) Hertzberg would make an excellent contestant on the What's My Line? television program.

Sonny is a scout for a professional basketball team—the New York Knickerbockers of the National Basketball Assn. As far as he can determine he is the only one in the country with that occupation.

He has seen nearly all of the outstanding college players in the nation. Today he

Director Penn Shows His Ability in Tuesday TV Drama

By CHARLES MERCER
NEW YORK (AP)—The directing genius of Arthur Penn received full expression this week with the production of "Lost" on Playwrights 56 (NBC-TV). The Tuesday evening drama was one of the best studies of emotional disturbance ever seen on television.

"Lost" concerned a man who suffered from amnesia. The script by Arnold Schulman was based on a factual study of such an actual man in the New Yorker by Berton Rouche. It was not tragedy in the classical meaning of the word since the victim had no choices in confronting his fate. But its impact on the TV screen was that of tragedy.

Walter Uhl, superbly played by Steven Hill, was a man who forgot his identity and lost himself in New York. Without indulging in any of the clinical hocus-pocus that so often mars dramas of emotional disturbance on television, Penn and Schulman made it abundantly clear that Uhl suffered from dementia praecox, a mental disease whose victims are unable to face reality.

The cause of this mental illness is unknown. Its definite cure is unknown. We can only suffer with its victims. Since much of life is suffering, "Lost" gave us much of life. Through the deft use of a Greek chorus technique, Penn touched Uhl's life with sympathy or misunderstanding. To give proper credit to the actors one would have to recite the entire large cast.

The utter truth of the drama shone through the closing moments when no bromide was offered. It was television at its best.

Another instance of television at its best in a different field preceded "Lost" on NBC-TV. On the Chevy Chase group of pleasant people gathered with that most pleasant of women, Dinah Shore, to provide an hour of good entertainment.

Perry Como and Gisele MacKenzie proved perfect companions for Miss Shore. The program was further blessed with the appearance of the great French pantomimist, Marcel Marceau. The show was given sufficient thread by Stubby Kaye and Johnny Silvers, who played a couple of street-corner booking agents looking for talent. They found plenty.

California Tops Population Gain Of All States

WASHINGTON (AP)—The Census Bureau said today California is outstripping all other states by a wide margin in population growth.

The state was credited with a gain of nearly 2½ million persons between the 1950 census and mid-1955 to give it an estimated population last July 1 of 13,032,000. New York's estimate 16,124,000 was the only one to top it. The 1950 census officially made California the second most populous state, displacing Pennsylvania.

The bureau said Nevada's 40 per cent gain in this period made it the fastest growing state percentage-wise. Arizona was second with a 31 per cent increase, Florida third with almost 25 per cent, California fourth with 23 per cent and Delaware fifth with 22 per cent.

The bureau estimated six states lost population between 1950 and 1955. These were Arkansas, with a decline of 121,000; Mississippi, down 68,000; Oklahoma, 66,000; Alabama, 29,000; Maine, 9,000; and West Virginia, 4,000.

At mid-1955, the bureau put the nation's continental population at about 164,300,000. That excludes service men abroad.

State figures for last July 1 included these totals:

Kansas 2,060,000, gain of 8.1 per cent.

Missouri 4,128,000, gain of 4.4 per cent.

Group Accused Of Campaign Against Labor

NEW YORK (AP)—George Meany, president of the AFL-CIO, accuses the National Assn. of Manufacturers of a campaign to destroy labor unions.

Cola G. Parker, NAM president, replied in a telegram last night: "I regret that Mr. Meany has chosen to make an ill-tempered attack on the NAM as a contribution to the labor-management peace and understanding we seek."

Meany spoke last night at a dinner of the National Industrial Conference Board, a business and industrial fact-finding organization.

Music Club Presents Annual Program of 'Music in Home'

"Music in the Home" is always one of the outstanding programs of the year presented by the Helen G. Steele Music Club and Wednesday night at Heard Memorial Club House was certainly no exception.

Mrs. Richard Sklar, co-chairman with Mrs. Dan Robinson for this particular program, served as narrator and surprised Mrs. E. F. Yancey, life president, by pretending to knock on the door of her home and announce she had brought her group to rehearse at the Yancey home. They were going to put on a TV program, she said. Although Mrs. Yancey had not been included in the plans for the "Let's Pretend" program, she joined right in and did her part by inviting the group in.

Children, of course, are always featured on the "Music in the Home" program and five-year-old Meladee Herndon, who is well named, started things off with a sunny smile and a sweet little voice she sang "Me and My Teddy Bear" holding her teddy bear in her arms as she sang, and ending her song with a bow and throwing kisses. Her brother, Jackie, smiled at the audience, too, and as he put on his coonskin cap announced: "Now I shall sing, 'Davey Crockett' and Mother's going to help me." His mother, Mrs. Jack Herndon, the former Mary Frances McCurdy, who has been singing in Sedalia since she was little, too, and was at the piano accompanying her children, did help a little on

"Davey Crockett." The Herndon's ended their part of the program with Meladee and Jackie singing, "The Bible Tells Me So."

The next number on the program was a miniature drummer, Mike Robinson, son of Mr. and Mrs. Dan Robinson, who played "Polly-Wally-Doodle" and "Maryland, My Maryland." Mike did a nice job on the drum with Mrs. A. R. Beach as accompanist.

Kelly Brent, and his grandmother, Mrs. D. Kelly Scruton, were next on the program and Kelly wore his Boy Scout uniform because he was going to sing a patriotic song. He stood at attention as he very sweetly sang, "America the Beautiful." He then played a piano duet with his grandmother, "Silent Night."

The two sons of Mr. and Mrs. Philip Hoffman, Arthur, violinist, and Buddy Phil at the piano, drew much applause from the audience with their long and rather difficult piece, "Lion du Ball" by Gillet.

Sylvia Thompson, daughter of Mr. and Mrs. E. W. Thompson, played two piano solos, "The Elf and the Fairy" and "In Hanging Gardens." Sylvia's pieces both were the kind little girls always love, where they cross their hands to play parts of them and Sylvia did a very nice job in playing her two pieces.

Donna Anderson, young violinist, with her mother at the piano, delightfully played, "Anemone."

There is much talent in the Burris Carter family. Ronnie, the young son, with his accordion played, "Lady In Spain", then Mr. Carter played a saxophone solo, "Al Fresco" with Mrs. Carter accompanying both numbers. The three then played together, "S'posin'" and Mrs. Carter added still more to the exceptionally entertaining program by also singing "S'posin'."

With poise and charm Sheila Isguar, daughter of Mr. and Mrs. Louis Isgur, sang two numbers, "Stars In My Eyes" and "This Nearly Was Mine" with Mrs. A. R. Beach at the piano.

The program closed with Russell Maag singing "Where'er You Are" and then Mr. and Mrs. Russell Maag singing the very lovely song, "Bless This House" with Mrs. D. W. Heckart at the piano.

Mrs. Al Miles, as program chairman, presented the program. Mrs. William Dugan is chairman of "Music in the Home and Community."

Civil Service Lid on Data Is Removed

WASHINGTON (AP)—The Civil Service Commission, under prodding by a House committee, has told its employees they have a responsibility "to assist in the task of keeping the public informed."

This new directive, disclosed today, takes the place of one which advised employees that information about commission affairs is "the property of the government" and must not be disclosed without authorization.

Chairman Moss (D-Calif.) of a House Government Operations subcommittee hailed the change as a step toward unclogging the flow of information as a result of his group's inquiry into the way government agencies are letting the press and public know about their activities.

"I hope other federal executive agencies will review their information policies," Moss said in a statement, adding:

"Officials should adopt a positive attitude and tell the public everything the government is doing unless they can clearly justify withholding information."

Actually, the newly announced revision is not such a policy reversal as it might appear to be.

CSC chairman Philip Young told the subcommittee when it opened its inquiry late last year that the agency's employees long have been encouraged to publicize "legitimate" information about CSC—with the agency itself deciding what sort of information is "legitimate."

Young said the "government property" warning was intended to keep within the agency such internal matters as differences of opinion that might arise among officials while final policy decisions are being reached.

Young conceded at the time the order might be better worded.

Young also disclosed in a letter to Moss, that he is having an inter-agency advisory group study the question of making available to the public the names and salaries of all federal employees.

First Baptist Pastorate Subject to Be 'March With Christ' Sunday

At the morning worship service Sunday at the First Baptist Church the pastor will bring a message on the subject, "On the March With Christ." The choir will sing an anthem entitled "Beautiful Saviour." This anthem will be by the Youth Choir, but the Adult Choir will also sit together in a group and render service along with the youth choir.

At the evening service, four new deacons will be ordained. Dr. Curtis Hutchinson, Warrensburg, will bring the message to the deacons and to a large number of people who will be expected to attend. There will be special music by the intermediate sextette, entitled "I Would Be True" by Peek. Members of the sextette are Judith Gardner, Nancy Yessen, Eddie Arquitt, Shirley Duet, Vickie Hunnell and Jimmy Watson.

Important meetings this week will be: the Federation of Business Women's circles of Harmony Association at the East Sedalia Baptist Church on Monday evening at 6:30; the associational

meeting of the Woman's Missionary Union at 10 a.m. Tuesday at the First Baptist Church; and the officers and teachers meeting of the Sunday School at 7:15 followed by the mid-week worship service at 8 p.m.

Approve Naval Buildup

Armed Services Group Endorses 1½-Billion-Dollar Shipbuilding Bill

WASHINGTON, Jan. 19.—The House Armed Services Committee today approved a 1½-billion-dollar shipbuilding bill described as a historic bridge to the atomic navy of the future.

"The approval of this bill is a historic event," Chairman Vinson (D-Ga.) said before the unanimous vote. "It lets us see the day, not far distant, when the American Navy will be propelled by nuclear power."

Calls For Atom-Driven Cruiser

The bill the committee recommended for passage includes authorization for an 88-million-dollar, 11,000-ton atom-driven cruiser. This would be the first atom-driven surface ship and its main weapons would be another awesome recent innovation—shipborne guided missiles.

Also included in the building program, in addition to what probably will be the last conventionally powered big aircraft carrier, are six more nuclear submarines and the plans for a nuclear carrier.

Secretary of the Navy Charles S. Thomas said his service next year will ask for funds actually to build the carrier.

He said the Navy's huge Sea-Master seaplane may be adapted for atomic propulsion and thus be "the aircraft which will take aloft the first nuclear power plant."

Views Atomic Navy Prospects

Thomas and Rear Adm. Albert G. Mumma, chief of the Bureau of Ships, described in lengthy testimony what sort of a navy is being produced by the prospects of atom drive, eliminating need for refueling, and self-propelled weapons of fantastic range.

"We foresee that as a guided missile platform, the nuclear submarine with its almost unlimited submerged range can emerge from the depths of the ocean to send missiles of great destruction great distances with deadly accuracy," Thomas said.

Converting To Guided Missiles

Mumma said the Navy is converting to guided missiles on a scale and at a pace "without precedent in naval shipbuilding."

Already, he said, one submarine and "numerous" carriers and cruisers have been converted for missiles and the conversion is going on fast. A new submarine is being built "from the keel up" as a firing platform for an improved "Regulus" type missile. Six carriers, including the big Forrestal, have facilities for arming their aircraft with air-to-air missiles.

Fire Causes Single Casualty in Office Building in Muskogee

MUSKOGEE, Okla., (AP)—A menacing fire that broke out half way up the 10-story Barnes office building today raced almost unnoted through two floors today before it was brought under control by firemen.

Only one casualty resulted. Tom Gaddy, a worker in one of the downtown structure's offices, was overcome by smoke and hospitalized. His condition was reported not serious.

At the height of the blaze, flames licked from fifth and sixth floor windows. Between 10 and 15 persons were sighted leaning from the top story's windows waving for help when they were cut off temporarily from stairs and elevators.

Giant Waterspout Sinks Three Dredges And Kills Four Men

TSU, Japan (AP)—A giant waterspout engulfed a tugboat and eight dredges yesterday, sinking three, badly damaging the rest, and killing four men. Dazed survivors said the waterspout was more than a half mile in diameter and at times sucked water and flying spume 400 yards high. The tugboat and its dredges were seven miles off the Pacific Coast of Central Japan when the spout hit.

Leaves His Name In Primaries—

Ike Invites All GOP Hopefuls To Enter Race For Nomination

WASHINGTON, Jan. 19.—President Eisenhower said today he hasn't decided about a second term, and he issued a virtual invitation to all GOP hopefuls to plunge into the race for the nomination.

Nobody jumped at the invitation—with Eisenhower himself still a potential candidate. The President decided to leave his name in the New Hampshire or any other presidential primary

in which it may be entered. But he said this doesn't mean he will run.

Undecided On Political Future

In fact, Eisenhower told a news conference—the first full-scale one since his Sept. 24 heart attack—he hasn't reached even a tentative decision on his political future.

When he does make up his mind, he said, the decision will be "based as to my best judgment on the good of our country" and will be announced immediately.

Eisenhower tossed out some political teasers for newsmen and politicians to toy around with. He said that while his doctors tell him he is making normal and satisfactory progress toward a reasonable level of strength, "it would be idle to pretend that my health can be wholly restored."

"My future life must be carefully regulated to avoid excessive fatigue," he said.

At his last previous Washington news conference Aug. 4, before the heart seizure, the President said his health would be a factor in his second term decision.

Hopes For Big Selection

At today's packed session with reporters, the chief executive said every citizen should have the "widest possible choice" in expressing his preference as to the nominee. He thus gave Sen. William F. Knowland of California and any other Republican aspirants a clear field for hopping into the string of primaries starting with the one in New Hampshire March 13.

Knowland has some support in both New Hampshire and Illinois. And he has ideas about running if Eisenhower doesn't. But with Eisenhower not definitely out of competition, few, if any, Republican hopefuls would want to take on the President in a popularity contest.

Registration Shows 7,500 Non-Voters

List of Non-Voters For Past 4 Years May Reach 10,000

James Green, Pettis County clerk, said Thursday there have been 7,500 names already on the permanent registration list of persons that have not voted in the past four years and now must re-register. The number of non-voters is expected to reach 10,000 Green reported.

Registration has been temporarily closed since Dec. 24, or 28 days before the next state election, which will be Tuesday, Jan. 24, when Missourians will vote on the state-wide 75-million dollar bond issue. When the election is over the registration will be reopened.

Under the new laws the county clerk has charge of the registration books and must check the registration and bring it up to date. There are some 25,000 names on the registration book, of which a great portion must be stricken from the books, the parties having either moved away from Sedalia or died.

Before the removal can be made the last address given is used for mailing purposes, and unless the party responds or unless the person has not voted in the past four years or last two general elections, the name is removed from the books. An effort must be made by the clerk to notify the affected person of his or her status on the registration books.

To date the clerk has checked all but three precincts, the third, fourth and fifth precincts of the fourth ward. Under the present set up it will take at least a year to clear the registration unless the legislature calls for a completely new registration. At the present time, or since the county clerk has taken charge of the books, little more than 200 persons have registered or re-registered.

Green also said the next election, the school bond election on Tuesday, Feb. 7 will not require the registration books, as this is strictly a school district election and not a general election.

"Best Secretary Of State," Says Ike—President Stands By Dulles In "Brink Of War" Issue

WASHINGTON, Jan. 19.—President Eisenhower stood by John Foster Dulles in the "brink of war" controversy today. He said he has complete faith in Dulles as a skillful diplomat devoted to peace and "the best secretary of state I have ever known."

But the President suggested "unfortunate expressions" might have been used in a controversial Life magazine article entitled "How Dulles Averted War." He said he didn't know whether such expressions were used by Dulles or the article's author, James Shepley, Washington bureau chief for Time-Life.

Refuses To Discuss Article

Eisenhower spoke up at his first Washington news conference since his illness. He refused, just as Dulles did at a news conference two days ago, to discuss the Life article in detail—indeed, the President said he had not read it.

The story quoted Dulles as saying "the ability to get to the brink of war" without being "drawn into it is the necessary art." It said Dulles three times averted war—in Korea, Indochina and Formosa.

A storm of criticism, especially from Democrats in Congress but also from this country's allies abroad, has been beating about Dulles' ears since the article came out a week ago. Some Democrats, including Adlai Stevenson, had urged Eisenhower to repudiate the article or fire Dulles. He did neither.

Says Policy Is To Wage Peace

As to the idea of going to the brink of war, Eisenhower declared his policy is to wage peace. But he said this is based upon "principles"

University President Says Bond Issue Is Essential to School

KANSAS CITY (AP)—Dr. Elmer Ellis, president of the University of Missouri, says passage of the state-wide 75-million dollar bond issue Jan. 24, is essential to rehabilitate school and prison structures.

In a speech here yesterday, Dr. Ellis declared the sound condition of the state's finances is a circumstance which is justification enough to approve the measure. Passage is necessary to prevent the "danger of a sickening tragedy" hanging over the state, he said.

The university leader said that with Missouri practically free of debt and with a better than average per capita income, there should be no worry about the state's ability to repay the issue without hiking taxes.

Snow Brings Drouth Relief Through State

Some Areas Receive Seven Inch Blanket In Thursday's Storm

By The Associated Press

Missouri six-week winter drought, one of the worst in its history was broken today by a snowstorm that piled up as much as a seven inch blanket in some sections.

At least four deaths, three in automobile accidents, were attributed to the snow and cold which brought need relief to farmers throughout the state.

Brunt Felt By Cape Girardeau

Cape Girardeau bore the brunt of the storm with a seven-inch fall, the worst there since January, 1954. It forced all schools in the county to close for the day.

The snow started to fall yesterday and last night. It continued throughout the night but stopped in most parts of the state early today.

The St. Louis area received its first measurable precipitation in 46 days, the longest drought in its history, and southeastern Missouri got its first moisture in 40 days.

Cause Of 3 Hiway Deaths

Three highway deaths Wednesday were attributed to the weather. Miss Corona Ann Powers, 23, of Paducah, Ky., was killed when her car skidded on a patch of snow near Warrenton. Mrs. Genny Hurt, 59, of near Springfield, was killed when her car went out of control on a snow-covered highway near Lebanon and collided with a truck. A car skidded during a sleet storm near Malden and spun into the path of a truck, fatally injuring Mrs. Jessie Lee Jones of Risico, a passenger in the car.

The other death came in Parma where the body of Sandra Lambert, 2, was found in a snow bank four blocks from her home after she apparently wandered out into the storm last night.

East Missouri Benefits Most

Farmers in the eastern half of the state gained the most from the snow. Farm experts have called the drought especially severe because it came during winter months when fields should be collecting moisture.

However, Paul M. Bernard, St. Louis County farm agent, said the snow-fall by itself will not be of material benefit to farmers. He said if it is followed by other snow or rain it may be the difference between a crop and no crop at all.

Runaway Truck Stops In Service Station But Not For Service

ST. LOUIS (AP)—John Neidergerke, a service station attendant, decided the big tractor-trailer headed for his station in St. Louis County was not coming for gas. He was right. In fact, the vehicle lacked a driver.

It crashed through closed doors of the lubrication room and knocked out a wall at the other end last night.

Missouri Highway Patrolmen said the vehicle, which contained 5,000 gallons of fuel oil, had been parked across the road because of motor trouble. The brakes apparently gave way, the officers said. Neidergerke, who was not hurt, said the truck will have to stay a while—it is the only thing holding up the roof.

Perry County Extension Agent Is Found Dead

PERRYVILLE, Mo., Jan. 19.—George Edward Murphy, 23-year-old Perry County extension agent who was crippled by polio several years ago, was found dead in his car yesterday. The Missouri Highway Patrol reported a hose attached to the exhaust pipe had been placed through a window of the car.

Tombstones Stolen

DENVER (AP)—Burglars entered a business establishment here early yesterday and hauled away two 100-pound tombstones.

Whiteman Air Base Would Receive Money In Building Program

WASHINGTON (AP)—The Defense Department today submitted a \$2,012,283,000 military building program of which \$5,834,000 was asked for Missouri installations. By far the largest sum, \$3,346,000, would go to the St. Louis Support Center.

The Air Force asked \$1,673,000 for the Grandview Air Force Base and \$815,000 for the Whiteman Air Force Base at Knob Noster.

Big Gold Haul By Thieves In Switzerland

Truck, \$280,000 In Gold Bars Are Stolen In Geneva

GENEVA, Switzerland, Friday, Jan. 20.—A truck bearing \$280,000 worth of gold bars was stolen here last night in a daring coup by thieves who may have come from across the French border.

The gold, owned by a private Swiss firm, weighed 551.16 pounds. In bulk it was small, since it takes about a ton of gold to make one cubic foot.

The gold bars had arrived from Paris by air in Geneva, international center of banking and commerce in gold, and were loaded on a truck at the Geneva airport.

Shipment Was Not Guarded

No guards were provided for the consignment. It was regarded as a routine shipment and gold robberies are so rare in Switzerland that guards ordinarily are not assigned to the transfers.

The truck driver drove to his company's headquarters and left the truck for a few moments. When he returned it had disappeared.

A nation-wide police search started immediately.

The truck was found empty in a lane near Geneva, barely a mile from the French border.

Swiss Newspapers Reported Tire Marks Showed the Gold Had Been Loaded into a Car in the Lane. A Car with French License Plates Was Reported to Have Been Seen in the Vicinity.

Confusion Over Value At First

First reports put the value of the gold at 25 million dollars. The confusion arose over the fact that French and Swiss officers working on the case failed to distinguish between Swiss and French francs. The Swiss franc is quoted at 23 1/2 U. S. cents; the French franc is less than a third of a cent.

The loss was first reported by French police as 114 million francs and Swiss authorities assumed these were Swiss francs. It was later determined that the French police were figuring in French francs.

Popular Canadian Star Will Be Sedalia Concert Artist

The next concert of the Sedalia Community Concert Association will be held Thursday night, Jan. 26, when the artist will be the bass-baritone Jan Rubes (pronounced Yan Roo-besh). He is one of Canada's most popular stars—in opera, in recital, as soloist with symphony orchestra and on radio and television. Now on his second U.S. tour—an extensive one—under his present management, this season he also will return to star with the New York City Center Opera Company.

Born in Czechoslovakia, before taking up singing as his profession Jan Rubes achieved great success as a sportsman. At 16 he became junior tennis champion of Southern Bohemia, and at 19 he was the junior ski champion of Czechoslovakia.

Enrolled at the Medical School of Prague University when with the advent of World War II that school was closed, Rubes devoted himself entirely to music. But at the end of his third year of musical training, he was sent to a German labor camp. His captors, seeing what a tall strong fellow he was, sent him to do manual labor in a munitions plant. However when they realized that he had been a singer back home and (Please Turn To Page 6 Col. 4)

Destruction Continues In Bombay

Anti-Nehru Rioting In 5th Day; Looting, Burning By Mobs

BOMBAY, India, Friday, Jan. 20

Looting and burning mobs of Marathas fought police through the night and besieged authorities in widespread parts of Bombay state and city.

At Kolhapur, 250 miles to the south, police fired into a mob of 30,000, injuring many. There was no official count of dead there.

As the unprecedented surge of anti-Nehru violence entered its fifth day, mobs forced the resignation of at least one city's councilman as part of a general siege campaign against the government.

The first reported mass resignation was at Poona.

Claim Reds Instigate Violence

Authorities declared Communists are exploiting and helping to spread the violence that began last Monday as a rebellion against Prime Minister Nehru's decision to federalize the city of Bombay.

Official casualty figures showed more than 40 persons killed in the first four days.

In two isolated city incidents Thursday, two looters carrying bags of grain were shot dead in the streets and a police constable was stoned to death by rioters.

A government communique early today said 9 persons were killed in city rioting Thursday; 65 persons were injured, including 30 policemen, and 85 more rioters were arrested.

In fighting between the two main language communities contending for control over the city of three million people, three non-Marathas were stabbed.

The two communities are the Marathi-speaking people numbering about 30 million in southern Bombay State and the less numerous Gujarati-speaking people of the northern part.

Battle Over City Of Bombay

Marathi speaking Indians, who number about 1,500,000 in the city, want this to be the capital of their new state under a realignment of state boundaries that will more nearly conform with the language barriers of the many-tongued Indian Republic. The Gujarati-speaking Bombay people generally are for keeping the city apart from any state—the view Nehru has adopted. The influential Bombay chief minister belongs to the Gujarati community.

A new climax of violence was reached in the city Thursday mid-night when the main armory of the Bombay police at Nigam, in the heart of the Maratha sector, was attacked by a mob seeking arms and ammunition. The mob was beaten off by gunfire with unknown casualties.

Branson said he returned the fire with his .38 caliber revolver and struck Novak with the first shot. He said Novak crawled behind a tree and "I fired two more shots at him" before the man was taken into custody.

Branson said no charges had been filed against Novak.

Censure Israel For Raid

Security Council Votes Condemnation Unanimously; Warns Against Repetition

UNITED NATIONS, N. Y., Jan. 19.—The U. N. Security Council today unanimously condemned Israel for the Sea of Galilee raid on a Syrian outpost Dec. 11. The Council warned that further such raids would be met with sterner measures to maintain the uneasy armistice in the Holy Land.

Fourth Censure Of Israel

It was the fourth time in two years that the Council had censured Israel for a major violation of Israel's borders with the Arab states. The Arabs have not been censured by Council decision but Israel has complained against hundreds of alleged border crossings by Arabs.

Russia, which finally supported today's decision as the best it could get for the Arabs, has vetoed two resolutions backed by the West. One accused Syria of illegal diversion of waters of the Jordan River and the other expressed concern at Egypt's blockade of the Suez Canal against Israeli shipping.

The United States, Britain and France introduced the resolution adopted by the Council at a three-hour session.

A "Flagrant Violation"

The resolution said Israel committed a "flagrant violation" of the Israeli-Syrian armistice in the raid in which 56 Syrians and 6 Israelis were killed.

In Addition, the Council:

1. Expressed grave concern at the failure of Israel to comply with its obligations.

2. Decided that if Israel does not observe its obligations in the future the Council will have to consider what measures to take under the Charter to maintain or restore peace.

This was interpreted in Council speeches by several delegates to mean action under chapter VII of the Charter. This calls for economic penalties against a country, breaking off of diplomatic relations, or even resort to military action to maintain peace and security.

3. Called on Syria and Israel to comply with the armistice agreement with respect to the demarcation line, which at one point runs within 11 yards of the Sea of Galilee.

4. Called for an immediate exchange of all military prisoners.

Bland Resident Is Shot in Gunfight With City Marshal

BLAND, Mo. (AP)—A 39-year-old Bland resident was shot and critically wounded early today during an exchange of gunfire with the city marshal.

Chester Novack was taken to a Jefferson City hospital in critical condition with a bullet wound in the chest.

Ralph Branson, Bland city marshal, said he received a report of a disturbance at an apartment building where Novack's wife lived with their five children. He said the couple separated last Friday.

Branson said as he drove up to the building in Bland Novack was walking away from the apartment with a 17-year-old son and carrying a shotgun.

"I ordered him to drop the gun," Branson said, "and he fired one shot at me. Two of the pellets went through my cap and the blast struck a building across the street."

Branson said he returned the fire with his .38 caliber revolver and struck Novak with the first shot. He said Novak crawled behind a tree and "I fired two more shots at him" before the man was taken into custody.

Branson said no charges had been filed against Novack.

Leap Year

It's Leap Year, and the ladies, fair,
Are looking here and looking there
For the answer to a maiden's prayer.

And when we stop to think it o'er
Why should this year scare men more
Than the other three of every four?

For when a woman sees her man
She starts to scheme and starts to plan
And she will get him — if she can.

This year the women may advance
And really find their own romance,
The fellows just don't have a chance.

For when a girl decides: "He's mine,"
She gets him helpless on her line
By putting him upon a shrine.

At first he thinks she wants to play,
He glories in the things she'll say,
And then he tries to get away.

Upon her finger is his ring,
She's taken care of everything,
Too soon the wedding bells will ring.

Then he finds, when it's too late,
He's swallowed her hook, line and bait
And wakes up to his wedded fate.

Whether it's leap year or whether not
He will fall for her little plot
And go on griping about it a lot.

Now once in awhile he's sorry, it's true,
But really such times are very few;
Without his wife he's in a stew.

For a man can't resist a woman's charms;
When he finds himself in her soft arms,
No matter what, his heart just warms.

'Tis Leap Year, quite a year for those
Who are wanting a man and on their toes,
He's bound to forget and sorta dote.

Not enough men, girls, you'd better scurry
And pick out a husband in a hurry
Or you'll be an old maid — without a worry.

Have Birthday Dinner

Happy Yeager, Kansas City, was guest of honor at a birthday dinner held at the home of Mr. and Mrs. Leland Whitaker and family, Warsaw, Sunday afternoon, Jan. 8. Others who attended were Mr. and Mrs. Johnny Barb and Stevie, Mr. and Mrs. Clyde Bybee, and Mrs. Happy Yeager.

Mrs. Connor Heads Sedalia GSA Council

Mrs. J. Gregory Connor has been elected president of the Girl Scout Council of Sedalia, and Mrs. G. G. Hopkins, immediate past president, becomes vice-president. Mrs. Porter Robb was elected secretary and Mrs. Emory Bowman re-elected treasurer.

A new board member elected is Mrs. Bertram Ruskin and re-elected are William K. Gibson and Mrs. J. M. Bailey. New committee members elected are Mrs. James Labahn, Mrs. Dick Sklar and Mrs. Van G. Jones.

Mrs. Connor, in setting forth the objectives of the new board, states that she and every member of the Council will strive to provide a program in scouting which will show to the public what a big part Scouting can and does play in the moulding of the youth of today. Volunteers are needed for the task ahead, but Mrs. Connor is optimistic that to believe, to belong and to build will become a privilege and not a task and that the realm of Scouting in Sedalia will be so enlarged that every girl desirous of the experience in Girl Scouting can be offered that chance.

The existing members of the Sedalia Council of Girl Scouts are: Mrs. E. F. Yancey, lifetime honorary member, Mrs. Harold Baudendistel, Mrs. W. C. Mathieson, Charles Maggard, Mrs. Virgil Kitchen and Mrs. William T. Sims, board members. Mrs. Roger Fuller, Mrs. Abe Silverman and Mrs. P. Cecil Owen, committee members.

New members will be announced as the growth and needs necessitate.

An exploratory meeting into the possibility and feasibility of an Area Council for Sedalia and surrounding councils was held Tuesday in the home of Mrs. W. C. Mathieson, 901 West Broadway, with representatives from Marshall, Booneville, New Franklin, Versailles and Sedalia. Miss Anna Zellek of the National Field Staff of Girl Scouts presented the proposed area plan. Future meeting dates, for further interpretation will be announced.

Lake Ozark BSA Operating Groups Meet In Tipton

The operating committees of the Lake of the Ozarks Council of Boy Scouts met in Tipton Tuesday, for their first quarterly meeting of 1956. A total of 33 men were in attendance at these meetings.

Reports were heard from Edgar T. Ward, Lake Ozark, Council finance chairman, on the results of the 1956 finance drives. Ward's report indicated that the entire budget had not been underwritten. The group decided that efforts would be made to balance the budget by April, 1956.

Julius Stohr, Sedalia, reported that the record shows an increase of slightly over 100 new boys this year.

In a divided meeting each operating committee made plans to further the Scouting program in the Council for the year 1956.

The following announcements were made of future activities: On Jan. 20 at the Governor Hotel in Jefferson City representatives from all over the state of Missouri will meet to plan the formal launching of the new four-year program (Onward For God and My Country). Another date given for the men was the Council Annual Charter Review meeting which will be held in Jefferson City on Wednesday, Feb. 8. Detailed plans will be furnished later. The board's attention was called to the regional annual meeting which will be held in Denver April 8-9. Harry L. Miller and Charles Bailey were appointed co-chairmen to promote attendance at this meeting.

Those in attendance from Sedalia were: Dr. L. S. Geiger, Jake Krause, Julius Stohr, C. A. Phillips, Cline Cain, Abe Silverman, Ray Rodick, Paul Anthes and Louis Linn.

Boy Scout District Committee Meets

The Pettis Boy Scout district committee met last night at the Chamber of Commerce. Two Scouting sponsors had their representatives there: the Rev. Reinhardt from Sacred Heart Catholic Church and L. C. Heuermann from St. Paul's Lutheran Church. Both have active Scout units. February 6-12 is Scout Week, and all units are urged to have dinners or appropriate ceremonies.

The tentative Camporee date is May 4-6; the outstanding patrols there will be eligible to participate in a council-wide Camporee June 2-3. The main item of business was completing "Plan Books" for the different committees—1955 record and 1956 goals. With definite objectives clearly stated, considerable progress is expected this year, especially in program quality.

In addition to Rev. Reinhardt and Heuermann, C. A. Phillips, Bill Hurlbut, Jr., Paul Anthes, Ray Rodick, Fred Bennett, Roy Kline and J. W. Kraus attended. The different committees will operate independently until Feb. 9, when they will again combine at the district meeting.

Neighbors Help Family Who Lose All In Fire

A great response was given to the Harold Goodall family, Sweet Springs, who lost all of their possessions when fire destroyed their home Jan. 3. Mr. and Mrs. Goodall with their six children, have moved into a house on Blackwater Street in Sweet Springs. They have now obtained nearly all of the items needed to start housekeeping, as well as clothing and food.

Knitted fashions now go on into evening. If you're handy with a pair of needles, make yourself a dinner shawl either ankle length or day length.

Classroom Additions Started In Leeton

Raymond Carney, Lincoln, was contracted to construct four additional classroom to the Elementary School in Leeton, and has begun work. It is hoped the work will be completed by this summer.

Ben Franklin Had Start In Poverty

BOSTON, Jan. 7 (AP)—One of the astounding success stories of all time began just 250 years ago in a small house in Boston where, by his own words, Benjamin Franklin was born "in poverty and obscurity."

The 15th of 17 children, Franklin received only two years of formal education. He failed in arithmetic. But regardless of position or education, no child born anywhere in the British Empire in the year 1706 was to have a greater impact upon that empire's destiny.

Records give Franklin's birth date as Jan. 6, but that was by the old Julian Calendar. When the new Gregorian Calendar was adopted by the British Empire in 1752, the date automatically became Jan. 17 — the anniversary which has been observed since.

Spurred by boundless curiosity and belief that service to his fellow man was the greatest service to God, Franklin educated himself into a many-sided genius, with an endless zest for living.

Of almost unbelievable breadth of interest, he became:

Athlete, printer, newspaperman, publisher, mechanic, author, civic leader, successful businessman, renowned scientist and inventor, patriot, philosopher and a diplomat who helped to shape history.

Dedicated to all human freedoms, he was the first to petition Congress to end slavery. He helped write both the Declaration of Independence and the American Constitution.

Honored in Europe for his scientific achievements, he used this great prestige to win France's assistance when the Colonies revolted against the British.

And he used skills and knowledge of men and nations built up through years as a colonial agent in England to win for his weak country a better peace than either mighty England or powerful France — which had an eye on American expansion — would have desired.

The proverb Franklin assembled in "Poor Richard's Almanack" contributed mightily to building a lasting tradition of individual responsibility and enterprise in the struggling young American nation. They included:

"Early to bed and early to rise makes a man healthy, wealthy and wise . . . God helps them that help themselves . . . The worst wheel of a cart makes the most noise . . . A penny saved is a penny got."

Franklin accepted women as persons of independent intellect long before they won the right to vote. And few men in history have so attracted the opposite sex. Most of his feminine friendships were formed from middle age onward, and there was a touching quality in the lifelong affection he inspired in younger women. His friendships with distinguished women of France are matters of history.

Franklin rushed headlong into life after his humble birth. Apprenticed early to his printer-brother, he spent his spare moments reading and practicing writing. At 16 he was contributing to his brother's New England Courant.

At 17 he was off on his own — without the family blessing — first to New York and then to Philadelphia. He entered Philadelphia as a hungry runaway, munching one loaf of bread while carrying two others under his arm; but he was to have a mighty influence on that city's history.

To Philadelphia, Franklin brought a Boston-born love of books. And although at odds with the Puritan leadership, he also brought a Puritan conscience and Puritan principles which he found hard to follow. His writings show how hard he struggled against his faults.

At 22, Franklin was in the printing business with a partner. The next year they were publishing the Pennsylvania Gazette. At 28, Franklin owned the paper outright.

Franklin was 24 when he married Deborah Read, who seven years earlier had laughed at the sight of him eating his loaf of bread on the street. Into the new home he brought a son, William, whose mother's name he never divulged.

"Poor Richard's Almanack" was launched when Franklin was 26. And the next year he began spare-time studies through which he was to improve his Latin and master the reading of French, Italian, Spanish and German.

Turning inventor, he devised the Franklin stove, which brought the fireplace out of the chimney — with vast savings in fuel and increased heating comfort. Then came Franklin's famed kite experiment, which ended the ancient mystery of thunder and lightning, and the lightning rod.

Through the years and in a dozen fields, the inventions continued:

Bifocal glasses, a device for removing objects from high shelves, the "armonica" which made music from spinning glasses, a clock, a flexible catheter.

3,613 Miles Of Highways Are Improved

The Missouri State Highway Commission spent or obligated the spending of \$73,181,993.61 on state highways during the 1955 calendar year which ended Dec. 31. During the year the Commission carried out or contracted for improvements and construction of 3,613 miles of those state highways.

A total of \$59,770,884.32 of the funds spent or obligated during the year went into construction activities. Of the remaining commitments \$9,369,153.71 went for right of way purchases, many of which are for projects yet to be advertised. \$3,623,549.85 for contracts on survey work and preparation of plans in order to be better prepared for any increased federal aid construction program, and \$417,505.73 for various other expenditures tied to the year's work.

Highway improvements made or contracted for during the year extended over 363.8 miles of major system routes and 3,249.2 miles of supplementary roads. The supplementary work included 2,698 miles of construction on the regular supplementary system and 552.2 miles of conditioning work done on existing county roads which the Commission has taken over for maintenance as temporary state routes under terms of the 10-year state highway modernization and expansion program.

Major system improvements made during the year included: 167.1 miles of high type bituminous surfaces; 96 miles of portland cement concrete pavement surfaces; 95.3 miles of low bituminous surfaces; 4.7 miles of graded earth; and about 0.7 mile of granular surface.

Supplementary work has included: 1,329.1 miles of low type bituminous surfaces; 1,034.9 miles of crushed stone or gravel surfacing; 57.7 miles of oil of earth surfacing; 6.3 miles of portland cement concrete pavements; conditioning, which includes ditching, blading, surface additions, etc., on 552.2 miles.

Missouri Exceeds US Savings Bond Quota For the Year 1955

Final figures of the sales of U.S. Savings Bonds in Missouri for 1955 have just been released, according to J. J. McGrath, chairman of the U.S. Savings Bonds committee for Pettis County. He reported with pride that an amount of \$65,270 was purchased by the people of our county in December, which brought the total for the year to \$1,135,359 or 113.5 per cent of the quota assigned.

R. E. L. Hill, state chairman, joined in congratulations on this Savings Bonds record. Hill announced that Missouri as a whole has exceeded its 1955 quota through sales of \$169,305,518 in U.S. Savings Bonds during the year, or 106.5 per cent of the goal set. December sales were \$12,868,518.

"All Missourians will be proud of this achievement," said chairman Hill. "It is a splendid one and every Missourian will profit."

New Vice-President Of California Bank

At a recent meeting at the Montezuma National Bank, California, I. S. Stephenson was elected to the newly formed office of executive vice-president. Officers re-elected were R. H. Latham, president; H. W. Kuhlman, vice-president; R. L. R. Hert, cashier. A. L. Gates was elected a new director on the board, replacing R. L. Hert. Board members re-elected are H. W. Kuhlman, R. H. Latham, and H. S. Stephenson. Bookkeepers are Charles Gabert, Mrs. Emma K. Hale, Miss Mary Ann Cary and Miss Bwana Haldiman. Miss Jean Wegener resigned to accept a position in Jefferson City.

WAFB United Fund Drive Starts Monday

Communities surrounding Whiteman Air Force Base won't be getting year-long contributions to individual charities from this Strategic Air Command installations this year as in the past. Instead, a Base United Fund Drive for the year 1956 has been approved that will consolidate all fund-raising campaigns into one. The drive begins Jan. 16.

The air base's drive is being held now because at the time the regular United Fund campaign was conducted, the wing was overseas. The base will participate in the drive annually.

Each member of the 340th Bomb Wing, 340th Air Base Group, tenant units and civilian employees are being asked to contribute one day's pay to the drive. If the expected 100 per cent participation is reached, the base will have collected approximately \$25,000 during the seven-week campaign that ends March 1.

The base campaign is being conducted exactly like those United Fund Drives in civilian communities and industries across the nation. It is designed to enable base personnel to support all charitable organizations with a single donation. Each contributor will receive a membership card which will relieve him of the responsibility of contributing to other charities throughout the fiscal year, except on a voluntary basis.

The total will be divided on a percentage basis among nearby communities and national charities. Those communities which have a United Fund Drive of their own will receive their share of the base funds through that agency. Other communities will either receive the money through their Community Chests or the directors of their local charities.

Money raised in the Base United Fund will go to Sedalia, Warrensburg, Knob Noster, LaMonte and Windsor. National charities which will receive donations include the American Red Cross, American Cancer Society, National Heart Association, Salvation Army, Cerebral Palsy and Muscular Dystrophy.

Red Cross Notes— County Chapter Holds Regular Board Meeting

The regular board meeting of the Pettis County Chapter was held at the office Thursday morning with the following attending: John Ryan, chairman; Mrs. Harold Dean, Claude Boul, Harry Naugel, Joe Rudick, Miss Nettie Lamm, Mrs. T. H. Yount, Mrs. Herbert Zoernig, the Rev. T. W. Croxton, George Yeaman, Mrs. H. A. Hite, Miss Mary Elizabeth Tevebaugh, Oscar Major, Mrs. Henry Menefee and Mrs. Eula R. Spencer. E. A. Goodwin, field director at Whiteman Air Force Base, was a special guest. Routine business was discussed and the chairman appointed Maurice Hogan, Miss Nettie Lamm and Everett Stevenson to serve on the nominating committee.

A capping ceremony will be held today at 2:30 p.m. at the base chapel. The regular meeting of the Lincoln Town Board was recently held and in addition to routine business, it was decided to remove the seats at the local theater building. Plans for redecorating the interior of the building were formulated and work will probably start soon.

Senate Group Checks Sales Abuses Charge

WASHINGTON (AP)—Backed by a poll of retail auto dealers, a Senate subcommittee launches public hearings today on charges of abuses in auto sales.

Sen. Monroney (D-Okla.), chairman of a Commerce subcommittee on automobile marketing, released in advance of the session a poll of retail dealers showing widely held views that "bootlegging," "phantom freight" and other practices must be curbed.

The subcommittee's questionnaire was answered by 19,113 of the nation's 42,000 dealers.

Of those who replied, 13,749 endorsed "congressional study or federal legislation with regard to automobile dealers' problems."

Called as the first witness was George Romney, president of American Motors Corp., which makes Hudson and Nash cars.

Romney said in a prepared statement he believes "many car customers are developing a 'customer beware' attitude as a result of horse trading practices that have characterized new car selling in the postwar period."

"I believe the automobile industry as a whole has suffered in public esteem as a result," he continued. "I believe many dealers are disgusted at the methods and ethics of current automobile marketing practices."

He said his company has adopted a new policy designed to give its dealers a bigger voice in car selling problems.

"Bootlegging" was defined by the subcommittee as discount sales of cars by regular dealers to nonfranchised dealers for resale.

In the questionnaire, 11,552 dealers said "bootlegging" was seriously detrimental to their business. Most of them blamed overproduction and pressure from the factory to take more cars than needed.

Monroney said "phantom freight" often leads to extra charges of \$75 to \$125 a car, based on railroad rates charged as if the cars were shipped from Detroit. Actually, he said, most cars are completed and shipped from widely scattered assembly plants, many by truck at much lower than rail rates.

Senator Says Congress Should Plug Loopholes

WASHINGTON (AP)—Sen. McClellan (D-Ark) declared today Congress should "plug the loopholes" through which he said Communist-tainted schools have received millions of tax dollars for training veterans.

McClellan heads the Senate Investigations subcommittee, which heard three school officials refuse to say yesterday whether they ever had been Communists. All three said they are not now.

McClellan announced he has ordered a bill drafted to bar Communist-owned private schools from receiving tuition payments or other financial benefits from federal agencies in connection with the GI Bill of Rights training program.

He said that when hearings resume next week the subcommittee will try to find out whether the Veterans Administration, as it contends, lacks authority to refuse to let veterans enroll at the government's expense in schools owned by Reds.

Three witnesses invoked the Fifth Amendment's guarantees against possible self-incrimination yesterday in refusing to say whether they had been Communists in the past. They were M. Michael Freedland, part owner of the Radio Television Technical School in Allentown, Pa.; and Burne Hogarth and Silas Rhodes, owners of the Cartoonists and Illustrators School, Inc., of New York City. All testified they are not Communists now.

Fifth Slaying Victim

OMAHA (AP)—A 31-year-old Omaha woman died in a hospital early today of more than a dozen stab wounds and deep slashes in the neck, face, back and chest.

Police said she was Carolyn Thomas Norwick.

It was the fifth slaying in Omaha in the past seven weeks. Only one murder, that of University of Omaha coed Carolyn Nevins, remained unsolved. Her body was found on the university campus early the morning of Dec. 10.

Robber's Companion More Soft-Hearted

DENVER (AP)—One of the two men who held up Bill Sparks was more kind hearted than his partner. Sparks said the man who held the gun was so irritated at finding Sparks' wallet moneyless that he threatened to shoot him in the leg. But the gunman's companion talked him out of it and they vanished.

Interpreting The News

By J. M. ROBERTS
Associated Press News Analyst

Various straws in the wind have been suggesting for some time that Red China either intends to attack Quemoy and Matsu islands this spring, or else deliberately create a new period of tension in the Formosa situation as she did last spring.

The sudden outburst of disruptive propaganda by Peiping's representative at the Geneva discussions with the United States adds to the prospect that the stage is being set for some change in the virtual truce which has existed in the Formosa Strait for some time.

Adm. Arthur Radford, chairman of the Joint Chiefs of Staff, just back from a world inspection tour, ranks Formosa right up with the Middle East among the chief danger points today. Formosa was one of the points where Secretary Dulles said the United States had been brought to the brink of war only to escape through firm action.

That statement still stands, and is part of the American attitude which brought Wang Ping-nan's outburst at Geneva. The United States, he complained in a maze of double-talk, won't concede Red China's right to attack Formosa.

This recognition is the chief assurance that whatever Peiping may be planning for the spring, it is much more likely to be political and for propaganda purposes than for war. As long as the American fleet is present and America's determination undiminished, a direct Red attack would appear to be most foolish.

The United States, in the Geneva talks, has been trying to get the Reds to eschew the use of force in the dispute. Since no immediate political settlement is in view, this would mean leaving the matter of sovereignty on the list of East-West issues which seem likely to remain unsettled. This was the method used to stop the Korean war after the United Nations had demonstrated that aggression would be resisted.

Under other circumstances, the Chinese statement at Geneva would be taken as the signal for the end of the talks. But the United States does not intend to break them off, and Peiping still has its objective of getting American diplomatic recognition and a seat in the United Nations.

The bluster over Formosa may be directed primarily in that direction, rather than toward a settlement of the island's fate, for which the Reds can have little hope. They'd like to be paid for not doing something they can't do.

Concert
(Continued from Page One)
when they heard him at an audition, they were so impressed that they made him a member of the Municipal Opera Company at Goerlitz. Rubes was liberated by American forces in 1945.

Resuming his musical studies at the Prague Conservatory and appearing in more than 120 performances at the Prague Opera House, in the summer of 1947 Rubes won first prize at the Prague Music Festival. A star who could sing operatic roles in five different languages, he was chosen to represent Czechoslovakia at the famous International Music Festival at Geneva, Switzerland, where he won top honors. Then, because of political reasons, Rubes decided not to return home. Remaining in Switzerland, he studied at the Geneva Conservatory.

The artist declined offers from the Nurnberg Opera House and La Scala Milan, in order to go to Canada in December, 1948. From the time of his arrival, he has given countless recitals on the Canadian Broadcasting Co. network, has starred in many CBC opera productions, and has appeared in leading roles at the Toronto Opera Festival.

He introduced, in 1953, his own half-hour, weekly radio program, "Songs of My People" which is heard over CBC Trans-Canada.

In opera, Rubes has appeared successfully not only in Canada but in Washington, D.C., Havana, Cuba, and with the opera companies of New Orleans and Chicago, and the New York City Center Opera Company. He has, too, made a great number of appearances in recital and as soloist with symphony orchestras across the continent and from Canada to Mexico and Cuba.
